Introduction

The Bernalillo County History Atlas Volume 1 was produced using data from the Bernalillo County Planning & Development Services Geographic Information System Program and the City of Albuquerque Geographic Information System (AGIS). A GIS organizes spatial and non-spatial data together in one computer environment to facilitate data query, analysis, and automated mapping.

The Planning & Development Services GIS Program has coordinated with the Planning and Development Services Department to determine the type and the look of the map features to be displayed in this atlas. The History Atlas Volume 1 displays history annotation, zoning, parcels, and other map features for the unincorporated area of Bernalillo County west of the Sandia Mountains and east of the tribal lands.

The Fall 2023 edition includes new and updated information since the last digital edition in Spring 2023. To view and download current and additional data, connect to <http://www.bernco.gov/planning/download-zone-atlas-.aspx>.

This atlas is for reference only and is published solely for the convenience of the user. These maps should not be used for exact measurements or legal descriptions of property. Legal descriptions and dimensions must be obtained from the records of the Bernalillo County Clerk, located at 415 Silver Ave SW, Suite 200, Albuquerque, NM 87102.

History numbers are assigned by the Bernalillo County Planning and Development Services Department, located at 415 Silver Ave SW, Suite 200, Albuquerque, NM 87102.
